Next Sunday, **YES - NEXT SUNDAY** – is the first match of our Veterans season and all the cobwebs should now be off your cricket gear as well as your techniques.

The copious number of training sessions has been hampered by poor weather at times but there has been some promising form shown in the nets from stalwarts and newcomers alike.

Thanks to Dilpreet and Minoo at Indian Affair for hosting our pre-season strategy meeting and ensuring that all left with full tummies and heads buzzing with all the stories of how Warrandyte Veterans are going to excel this season – or was it the alcohol effect?

The Legends (over 50's) team was well represented and, although the Masters (Over 40's) were light on, all enjoyed the dinner immensely. It's great to get together in a social atmosphere and get to know each other better as club-mates, include partners and family for the pleasure of extending the "Club Family" and having a terrific time based around our passion for the game of cricket. Not to mention the brownie points we build up when our better halves don't have to prepare our daily sustenance.

In an endeavour to spread the administrative workload of fielding our 2 teams, a "committee" has been set up with equal representation from each team. The "committee" comprises:

General Secretary & RDCA Representative	– Steve Pascoe (contact details above)
Masters Team Manager / Coordinator	- Dave Tucker (m) 0418 598 864
Legends Team Manager / Coordinator	- Greg Warren (m) 0412 368 078
Catering / Bar - Masters	- Chris Jackson (m) 0419 362 740
Social Convener / Fundraising	- Peter Mackey (h) 9844-3662
Treasurer	- Murray Walton (m) 0418 584 781

These guys will be asking for your help and support on a regular basis; please don't let them down.

Details of the first round of matches appear later in this newsletter.

Getting around the Health System

The phone rings and the lady of the house answers.
"Hello?"

"Mrs. Sanders, please."

"Speaking."

"Mrs. Sanders, this is Dr. Jones at Central City Laboratory.
When your husband's doctor sent his biopsy to the lab last week, a biopsy from another Mr. Sanders arrived as well.
We are now uncertain which one belongs to your husband. Frankly, either way the results are not too good."

"What do you mean?" Mrs. Sanders asks nervously.

"Well, one of the specimens tested positive for Alzheimer's and the other one tested positive for HIV. We can't tell which is which."

"That's dreadful! Can you do the test again?" questioned Mrs. Sanders.

"Normally we can, but the new health care system will only pay for these expensive tests just one time."

"Well, what am I supposed to do now? "

"The folks at Rudd Care Centre recommend that you drop your husband off somewhere in the middle of town. If he finds his way home, don't sleep with him."
