KANGAROO GROUND V. ANDERSON'S UNITED.

The return match of the above clubs was played on Saturday last on the ground of the latter, at Watson's Creek, and resulted in an easy win for the United team. The weather was all that could be desired. The visitors went to the wickets first, and were soon disposed of for the small score of 26 runs. After a substantial lunch had been partaken of (and a few facetious remarks passed by a facetious stranger) the United team went in to try their powers, and when the last man was declared out had made the large score of 103 runs, much to the dismay of their opponents, J. Cummings and Shaw making 52 and 18 respectively of that number. The Kangarooites then went in to try and pull up their lost ground, but, although they played with good spirit and made a better stand than in their first innings, they could not catch up to their opponents. The match resulted in a win for the locals by one innings and 30 runs. It is to be regretted that the full teams did not attend.

Appended are the scores:—
