Welcome to Season 2007/08

On behalf of the Warrandyte Cricket Club committee, welcome to the club’s 96th competitive season of cricket, and our 154th year in existence.

2006/07 was a year that will go down in history as one of the club’s most successful, with three premierships, twelve centuries and the second most ever total runs for all players in a season. With grounds across the RDCA feeling the effects of the worst drought in our countries history, could the run spree be largely attributed to the dry, hard grounds? The graph below illustrates that our bowlers gave away almost as many runs as our batsman made – and the most runs ever conceded in a season by the club.

Season runs - total runs across all grades, with more than four grades playing

Without substantial rains, the drought could continue on into the upcoming season, and possibly offer another bumper season for the batsmen. Evidence that our form may not simply be the condition of the grounds was the record number of sixes hit last season across all grades (see right).

Whatever the cause, the club is no doubt entering an exciting phase in its history. With a generation of former junior cricketers now playing in the 1st and 2nd XI with much success, the next few seasons may well see the rise of a new generation of Warrandyte champions.

Once again I’d like to thank Steve Goddard for his sterling efforts in compiling what are likely among the most comprehensive set of statistics at this level of cricket anywhere in the world. Being able to reflect on the feats of those gone before us not only honours them, but makes our own achievements that more meaningful when we are able to appreciate our place in the history of the club.

I hope you enjoy the second edition of this publication and find that it offers an important reference for information about the upcoming season, and also a reflection on the season past that you will enjoy in years to come.

I wish you the best of luck for the upcoming season

The Challenge is set

After the incredible success of the Warrandyte Cricket Club last year, I have been waiting all winter to get back into action again for the new season. The place was buzzing at the end of last March with all four senior and two junior teams in the finals, before the Under 14's, Second and Fourth Elevens brought home premierships pennants. The club was a great place to be and I know everyone loved being a part of the success.

The big challenge for the Warrandyte Cricket Club this season is not to become complacent on what happened last year and think that the efforts of last year are good enough.

We must look at last season as an incredible spring-board to further success into the future, with our eyes firmly set on promotion to Chandler Shield as soon as possible.

The pre-season training has shown that everyone appears keen to keep the momentum building. The numbers have been particularly strong and it is also encouraging to see a lot of old faces coming back down to the club to be part of our revival.

With a group of players with so much potential, the opportunity to win a First Eleven premiership is a lot closer than what you may think. Often it can be the improvement of only a handful of players that ultimately improves everyone around the club, with pressure on all positions meaning everyone is on their toes.

The Second and Fourth Elevens showed the way last year, now we must all work together to bring the Wilkins Cup to the Warrandyte Cricket Club.

No one person can achieve the ultimate prize, it must be a club effort. I want us to work even stronger as a team, not as a group of individuals. It was our theme last year and we will use it again this year.

I am inviting everyone to jump on board together and let's have even more success in 2007/08.

I am ready for the challenge ahead ... are you?

Land for Warrandyte Reserve had been set aside as a cricket ground as early as 1855, making Warrandyte one of the oldest cricket grounds in Victoria and Australia. In 1865, the ground was officially set aside as recreation land by the Government; this saved it from gold mining claims following protests from residents. Although games are known to have been played earlier, the first documented match was played on the 1st Jan 1864. The first basic facilities, shelter and fencing were installed 1908. Facilities evolved gradually to more formal clubrooms, but were destroyed in 1939 during the Black Friday bushfires. A new pavilion was eventually built, where it stands to this day. Extensions were completed in 1988 which give us the social rooms that stand today.

Code of Conduct

Traditionally, cricket has been the one sport to maintain and exhibit the highest levels of conduct and sportsmanship. While always a most competitive game, the continued strength of the sport has relied upon the acceptance of the Umpire's decision and the preparedness to play within the "spirit of the game". The areas of major concern and those clearly unacceptable, are:

1. The use of offensive language - generally as a disparaging remark to an opposing player or toward an Umpire, or even as an expression of frustration or self-admonishment. This includes racial vilification (any act that is reasonably likely to threaten, disparage, vilify, offend, insult, humiliate or intimidate another person or group based on race, religion, descent, colour or national or ethnic origin).
2. The questioning/disputing of the Umpire's decision - often in an aggressive or sarcastic manner. This applies equally to dismissals and unsuccessful appeals as to the judgment of calls on no-balls, wides, byes, etc.
3. The excessive number of frivolous and ridiculous appeals - primarily aimed at pressuring and intimidating the Umpire into a favourable decision.
4. The actions of the dismissed batsman - in failing to leave the crease promptly on being given out and any equipment abuse (eg banging the bat into the ground or against the fence or race, etc and/or throwing the bat or equipment during or after his return to the pavilion).
5. "send offs" - usually to a dismissed batsman by the bowler or a member of the fielding side. This can often inflame the situation and lead to a more serious altercation.

Players must all time abide by the Code of Conduct of the Ringwood District Cricket Association:

- (1) The following code of behaviour has been recommended by the Victorian Metropolitan Cricket Union (VMCU) for inclusion in local rules books.
- (2) All matches shall be conducted in the true spirit of the game of cricket and club Officials, Coaches, Captains and Players are requested to adopt this code.
- (3) No player or official shall, during any match, whether on or off the field of play, engage in conduct unbecoming to the game of cricket.

Players shall:

- (a) Respect the umpire.
- (b) Not verbally or physically abuse any umpire.
- (c) Not dispute the umpire's decision nor react in a threatening or disapproving manner.
- (d) When given out, move immediately from the field.
- (e) Generally assist the umpire in carrying out his duties.
- (f) Not indulge in "sledging" of opposition players.
- (g) Not verbally or physically abuse opposition players or officials.

- (4) Clubs shall place all teams under the control of a responsible person.

(5) Captains shall:

- (a) Instruct all players to avoid time wasting. Incoming and outgoing batsmen are expected to pass on the field of play. Instruct bowlers to return to the start of their run-up quickly and be ready to bowl without time wasting. Instruct all fieldsmen to move quickly between overs and whenever required to change position, ie field setting/changes be undertaken without time wasting.
- (b) Ensure that players conduct themselves in a manner that conforms to the traditional image of the game of cricket.
- (6) No alcohol shall be consumed by players or match officials during the hours of play.
- (7) Players shall maintain a standard of dress:
 - (a) All players must appear on the field in proper cricket attire, comprising white shirt with collar, white pullover if worn, long white trousers, white socks and white footwear which may include coloured stripes. Players officiating as umpires must wear proper cricket attire plus distinguishing clothing as required under Rule 113. White shorts may be worn only by players under the age of sixteen (16) years, on the 1st September each year. Umpires shall report players contravening this rule who shall, on a first occasion, be fined \$3.00 and, if a further breach of this rule occurs, shall be dealt with by the Board of Management, which may impose a higher fine or penalty.
 - (b) No player shall wear boots or shoes equipped with studs, spikes, sprigs or projections made of metal or hard plastic which could damage the surface when playing on matting or synthetic wickets. The penalty for non-compliance with this rule shall be a fine of \$12.00 and the offending player shall not be permitted to participate in the match until this rule has been complied with.
- (8) Clubs will be responsible for the behaviour of their supporters and spectators.
- (9) Player being NAMED Under the following criteria:
 - (a) During the progress of a match, all players and club officials shall behave in an orderly and seemly manner and abide by the spirit of cricket. Bad language will not be tolerated. Smoking on the playing field during the progress of a match is strictly prohibited. Alcoholic beverages must not be consumed during hours of play.
 - (b) Clubs will be responsible for the behaviour of their spectators.
 - (c) Where an umpire believes a player has infringed the code or conduct, but does not believe a formal report is warranted, the umpire shall inform the player that he will be named. At the same time, the umpire will advise the Team Captain of the naming and that any further such incidents during that match will result in the Captain being named for inability to control his players. The naming will be formalised by completion of a "Naming Form", which is to be signed by the offending player and/or his captain and/or club representative. After each naming the player and the club secretary shall be notified in writing. Should a player be named on two occasions over a season, the player shall be automatically suspended for the next 2 RDCA matches in which the player's team is competing. Subsequent namings will be dealt with as seen fit by the Board of Management.
 - (d) Should a player be named in the finals series, such naming shall carry over to the subsequent season.
 - (e) Umpires are to report serious breaches of behavior
 - (f) It is expected that misconduct by a player or club official shall, in the first instance, bear the following minimum penalties.

| | |
|---|-----------------------|
| Audible obscenity | Naming |
| Disputing decision | Naming |
| Sledging | Naming |
| Alcohol consumption during match times (player) | Report 4 weeks |
| Equipment Abuse | Report 4 weeks |
| Abusive language - to player | Report 4 weeks |
| Abusive language - to Umpire | Report 8 weeks |
| Intentional player contact | Report 12 weeks (min) |
| Umpire intimidation | Report Investigation |
| Other misconduct | Report Investigation |

If the misconduct recurs these penalties may escalate.

Manager Administration may nominate an appropriate penalty that a reported player may accept in lieu of attending an Investigation Committee hearing.

- (g) Any player suspended during the season shall be deemed ineligible for selection in representative teams.
- (h) Penalties, whether automatically accepted or imposed at a hearing, shall be posted on RDCA website.

The Warrandyte Cricket Club requires its members to behave in a manner that respects other members, protects their safety and welfare, and that of the property, grounds, equipment and facilities of the club. Failure to abide by these rules may result disciplinary action being taken that may include suspension or expulsion from the club, or other action as deemed fit by the committee.

Insurance Information

Note: The following is for generation information only and may be subject to change/correction without notice.
Members wishing to clarify insurance issues should contact the Club Secretary or the RDCA Administration Manager.

The RDCA through Cricket Victoria and Cricket Australia, provide insurance for members, officials and volunteers at clubs.

Please note: Player Accident insurance does not cover any expenses for treatment that can be claimed under Medicare. If members opt to use the services of a private organization (e.g. Knox Hospital) it may result in them being left considerably out of pocket.

Due to Cricket Victoria policy, members may not be eligible for insurance cover unless they sign a Privacy Act Exemption to release their RDCA registration details to Cricket Victoria. Parents/guardians of Junior Players are advised to look at this matter on their behalf. Members will be offered the opportunity to sign the Exemption when paying subscription dues. Any member wanting to enquire about insurance issues should contact the Club Secretary.

U14s GRADE 3 PREMIERS 2006/07

Adam White

White Hot

the record setter

most sixes in an innings (8)

only 1st XI player to score a century
and take 5 wickets in the same match

first captain to win two consecutive
outright victories since 1936/37

932
points

By far his standout year at Warrandyte. Cemented himself as one of the most dangerous all-round players in the competition. His captaincy has improved markedly over the past year as he learns the strengths of his players and how to capitalise on them. His technique is impervious when on-song. Late in the season, he developed a taste for cold-blooded knocks against Wilkins Cup attacks - look for a massive score to eventuate in 2007/08.

The Big Game Player

White's 136 against Olinda had striking similarities to his 131* in 2003/04 against Sth Croydon. In the lead up to both games, Warrandyte had a narrow equation to make the finals, requiring a special effort to sneak in. In both cases he delivered when it counted

Brings his all-round game

As an all-rounder, you can often be forgiven for not quite dominating with the ball after doing the job with the bat or vice versa. If there is anything to learn from the statistics it is that White will back up with the ball if he has scored runs. His bowling average in matches where he has made less than 50 is a respectable 25 – but if he gets past the half century with the bat, the opposition can look forward to the compounding headache of him taking wickets at an average of 11

Season Review

Statistically, White had a brilliant season; his clutch performances when it counted pushed the 1st XI into the finals to the surprise of most people in the competition. He settled well into his second season at the helm, the highlight of his leadership was the ability to squeeze the most out of the squad of rising stars.

Looking Ahead

White will be looking to build on the 1st XI's success of last season and have his team deliver more consistent results throughout the year. With the gap between the 1st and 2nd XI's closing, he will be once again delving deep into the talent pool with the aim of laying a solid platform for seasons to come. His batting and bowling form is solid, and he will once again form the backbone of the 1st XI's middle order.

Season Review

After a modest 2005/06, Wellesley had his trademark slow start to the year, despite being paired to open the batting in the 1st XI with whirlwind Nami Yilmaz. Without offering the selectors a lot in the early rounds, he returned to the 2nd XI where he built up a solid string of scores, and found his niche bowling steady medium pace. After Christmas he exploded, scoring 415 runs from five innings. Although he performed well in the finals the season before, he made less of an impact in the three finals matches, something he will be wanting to rectify if given the chance again.

Looking Ahead

The most obvious goal this season will be to address the frustrating tendency to peak late in the season. Getting on top of the competition before the break often means playing finals. He is likely to again receive 1st XI opportunities, and will be hungrier than ever to capitalise on them.

A tale of two Dons

Before the 06/07 season, Wellesley had scored 1134 runs from 80 innings from 8 years of cricket. His 554 runs in 2006/07 came from just 15 innings. Has he really turned the corner? Time will tell. Although he had plenty of chances to star in the 2nd XI, his 1st XI season was actually one of his worst statistically. The club will be hoping next season he can transfer his form into the 1st XI.

New Year's resolution?

Of the 1000 cricketers that have played for Warrandyte, Wellesley holds the remarkable record of the biggest difference in his batting average before and after the Christmas break. His average is 26 runs higher with the bat after the festive season hiatus. This remarkable fact was again clearly reflected in 2006/07, but can be seen in every season he's played. To further this statistical oddity, his powers consistently peak at the very last match of the regular season - in fact over his career, he has made a staggering 404 runs at an average of 80.8 in the last game of 7 seasons.

Daniel Wellesley

TURNING THE CORNER

Since making his senior debut in 1998, he has always worn several conflicting tags - super talented, but underachieving. Often falling to rash or lazy strokes, a decision to limit the repertoire in 2002/03 delivered a solid 1st XI debut season. After a brief stint living in Queensland, he returned and took on more responsibility on the committee, and on the field. Arguably the most elegant batsmen at the club, he had an outstanding year in the 2nd XI, dominating B Grade and stitching together the best parts of his defensive and attacking games.

But six 1st XI starts failed to glean results - can he take the next step to be one of the premier batsmen in the 1st XI?

Few batsman before him have provided such a solid and reliable foundation at the top of the order. Scoring a mountain of runs in the 2nd XI from just a handful of matches, he also proved his class in the 1st XI against the best new ball bowlers in the competition. Blessed with superbly mature shot selection and a solid defence, Centofanti will no doubt be focused on giving the 1st XI the stability it needs in the top order this season.

Season Review

Centofanti's streak of innings in double figures demonstrated his ability to effectively construct an innings for both himself and the team. Two centuries last season came as little surprise to anyone at the club, most have long known the potential the man has with the willow in his hand. Although his 1st XI season was not as gratifying, he was again consistent in his performances, even earning a vote from the umpires in one 1st XI match. Probably the most understated part of his game is his brilliant slips fielding, which is much appreciated by the bowlers in his team...

Looking Ahead

Centofanti is another player with a penchant to turn it on after the Christmas break, but still has a healthy average early in the season. Consistency will be the key to his season once again as will his ability to endure early onslaughts and patiently build an innings. But most pundits aren't expecting miracles from this new father, who's main hurdle in 2007/08 will be sleepless nights and babysitting duties!

Becoming a Matchwinner

For the second year running, Sazenis has proven himself to be the premier spinner in Wilkins Cup, and arguably the best left arm orthodox spinner in the RDCA. Returning from an English season brimming with confidence, he has honed his craft considerably, and shoulders much of the bowling workload for the 1st XI. When a match is in the balance, chances are Sazenis will be thrown the ball, and turn the game.

Season Review

Sazenis' tenure with English club side Chipperfield over the winter gleaned 1000 runs and 100 wickets, apparently setting records in the process. There was much expectation upon the young man's return, with hopes of him emulating his feats in the motherland. The most noticeable improvement came through a more aggressive approach to his batting. This was highlighted by the number of boundaries he hit, 17 fours and 3 sixes is a career high for Sazenis. With 37 wickets, he was equal leading wicket taker in Wilkins Cup with Norwood's Chris Snaidero, which was the 4th most wickets for the season in the entire RDCA.

Looking Ahead

With the cricketing world at his feet, 2007/08 is the season for Sazenis to break out and dominate the competition. The quiet achiever is turning into a feared competitor. He will possibly go close to bowling 300 overs this season as he is relied upon more by his skipper. The bad news for batsman in Wilkins Cup is that Sazenis' bag of tricks is getting more diverse with age and experience...

In a remarkable season in which McKellar showed fine form with bat and ball, McKellar's fitness was a key to his success. This fitness was largely due to the dedication shown in his 2006 football season, in which he performed well - which would have to make him one of the favourites to take out the John McCartin Award for best Footballer and Cricketer for the 2007 Football season and 2006/07 cricket season.

Honour Roll

9th most runs in K Grade
Equal 4th most runs in K Grade

Season Review

The best debut season points-wise for any club player since Russell Jenzen in 2000/01 - made even more remarkable by the fact he wandered into the side four rounds into the season. Prior to that, you have to go back to Harry Drysdale in 1992/93 to find a better first season at Warrandyte. This former junior player picked up where he left off a few years earlier, laying the foundations with bat and ball for a side which would be all-conquering in K Grade. His performances in the both finals against arch-nemesis Olinda were exemplary, with two five wicket hauls to clinch these legendary grudge matches. Even in the Round 12 wake up call when Olinda again became the only team in the competition to beat Warrandyte's 4th XI, McKellar stood tall scoring 38* and 64. This unassuming cricketer was a deserving joint Jim Gathercole medallist.

Looking Ahead

A new season will no doubt pose new challenges for this talented cricketer. With his batting and bowling constantly improving, it's quite likely he could improve even further on last years return and propel his team yet again into the finals. Perhaps a second consecutive flag is not out of the question?

Season Review

Taking charge of the 4th XI once again, Graham led a talented side with distinction throughout the season which culminated in a well-deserved premiership. He took ownership of the top order responsibility, regularly giving his side a solid and patient start to the innings.

His new ball bowling was as consistent as ever, claiming an unprecedented third successive bowling award in the 4th XI, and was in the top 10 highest wicket takers in K Grade.

Looking Ahead

Graham was promptly tasked with leading the 4th XI again in 2007/08, and history tells us that the 4's are very good at backing up their premierships. Can Graham join an elite list of captains to have gone back-to-back?

Season Review

The most exciting young cricketer in a decade at Warrandyte proved again he was destined for big things with his stellar 2006/07 season. Carrying out the final year of his U16's duties, Barry also turned it on in the afternoons and mixed it with some of the best cricketers in the competition. His remarkable batting efforts were highlighted by his cool temperament in pressure-cooker run chases in the finals.

Although it can appear that he does little more than dabble in creative medium pace bowling, he was able to take 16 wickets and the win 1st XI bowling average – possibly the youngest ever player to do so, and equally as probable had the smallest ever qualification margin – he shuck in bowling just 5 balls over the 66.4 over requirement. Often thrown the ball to break partnerships, he did so very effectively also achieving

Looking Ahead

Many club faithful are hoping to see Barry continue his ascent through the ranks of the 1st XI at Warrandyte, but are also aware that higher honours may await him in district cricket. Wherever his future lies, the club would love to see Chris once again dominate in 2007/08.

Season Review

Despite a season racked with injuries, Holland still managed to make his first century and win his first premiership. His maiden ton was eventually overshadowed by 11 others during the season, but his batting proved very useful throughout the season, often utilized late in the innings when the run rate needed attention.

His early season six-wicket haul showed off the firepower that made him one of the most feared bowlers in the RDCA, but as the season progressed the niggles caught up with him, reducing his pace but not his spirits. Herculean bowling spells in the Semi and Preliminary finals were crucial to the team's success, and the devastating 5 over display in the Grand Final set up Warrandyte to claim victory.

Looking Ahead

A taxing football season saw the injuries continue for Holland, his pre-season ruled out on account of an injury to his right hand. The club will be hoping he will be back to full fitness as soon as possible to hopefully once again fulfil the pivotal role in the 1st XI.

Season Review

Graf's first year at the helm of the 2nd XI was a resounding success, losing only three matches and winning the club's first 2nd XI premiership in 17 years. Despite making only two half centuries, Graf showed crucial consistency, accumulating 431 runs making him the 4th highest run scorer in B Grade. The highlight of his batting season was tragically comical as he and Luke Salton put on a record last wicket partnership with the match well won - Graf, eyeing off his first century since 1990/91 - was bowled for 99 in the last over.

The talented younger group of cricketers no doubt have been equipped with many instruments for success as a result of Graf's astute captaincy, which was arguably his most important contribution.

Looking Ahead

After being speedily re-appointed 2nd XI Captain for it's A Grade campaign, Graf suffered a disastrous skiing accident which resulted in his left leg needing extensive surgery and rehabilitation. The club wishes him a successful recuperation and hopes that he return to cricket in 2008/09.

Season Review

Another highly impressive season from Grieve that saw him the leading runscore for the 4th XI. Remarkably this unconventional batsman also scored the most runs in the 5th XI the season prior. Just to top off the honours he was the 6th highest runscore at Warrandyte in 2006/07. He narrowly fell short of a century against Wantima, and played a crucial hand of 28 in the Grand Final against Olinda. He also excelled in the field, winning the 4th fielding award.

Looking Ahead

Constantly improving and maturing as a cricketer, Grieve is likely to put in another consistent season in 2007/08, and watch for his bowling to become more of an asset with experience.

Maltman's second season at the club was a standout effort. With highlights including a four wicket haul to scuttle Warranwood, an amazing maiden century with 138* batting at number 7, a club record. The crowning jewel in his season's achievements was his effort in the Grand Final, taking some brilliant catches at slip. Some true Warrandyte legends were made on the Sunday afternoon as an Olinda hatrick saw Warrandyte collapse to 7/88 chasing 170. Maltman and Daniel Barry shared a premiership-winning partnership of 82 runs to win the match, Maltman scoring a gutsy 57*.

Looking Ahead

The cusp of the 2007/08 season brought a new family member for Maltman, so his teammates will be hoping he can find the time to join their title defence.

A former junior champion at Warrandyte, and son of Club Legend Geoff, Taylor made his return to the club for the first time as a senior cricketer, and immediately made his mark in the 3rd XI with 111* v Wonga Park. A string of half centuries in the 2nd XI continued his meteoric rise culminating in a 1st XI debut in Round 12. The next round he made his maiden 1st XI half century. The exit of the 1st XI from the finals saw Taylor return to the 2nd XI for the Grand Final and scoring a composed 26 opening to set up the innings and a well deserved premiership.

With his competitive fires burning as brightly as ever, John produced yet another solid season. The experienced campaigner was the rock of the 3rd XI bowling attack, consistently attacking the stumps he is a fine proponent of the 'he misses, you hit' methodology, as well as being able to extract movement with the new ball.

Looking Ahead

Another taxing football season for John meant he has eased himself into his pre-season, but we can expect more lionhearted efforts this year. Watch for another half century with the bat.

One of the most exciting prospects among the club's junior squad showed why his is rated so highly in 2006/07. Reaching his third successive Grand Final, he finally bagged the major prize, as well as a 27 wickets, the second most for the club. His bowling has gained impressive control and his line and length is impeccable, his season highlighted by 6/28 against St Andrews including 3 wickets at either end. His performances with the bat where at times inspirational particularly the 41* against Bayswater Park in the Semi Final to almost chase victory.

Looking Ahead

Expect this youngster to graduate with honours to the 1st XI in 2007/08. His batting is constantly improving exponentially - whispers around the club having him becoming a formidable opponent in the years to come.

A triumphant return to cricket at Warrandyte saw Day play in the 1st XI finals campaign as well as claim a 2nd XI Premiership. His aggressive stroke play added another dimension to the batting order, and his amazingly athletic fielding stunned even his own teammates. This was particularly evident in the 2nd XI Grand Final where he coolly effected two runouts late in the game to ensure the win for Warrandyte.

Looking Ahead

Taking on the 2nd XI Captaincy in place of the injured Jason Graf, Day's experience will be crucial as the next batch of young cricketers enter the fray in A Grade.

Bringing much needed class and experience to the lower grades, Logan was rewarded with a 4th XI premiership to add to his 2006 WFC Premiership. With some brutal knocks including a repidfire 95 in the club record onslaught of 548 against Croydon Ranges, Logan would be a raging favourite for the McCartin Medal. In 2007/08 the club would be hoping for a possible return to the 1st XI for this classy cricketer.

After moving to Warrandyte late in the 2005/06 season, Nami had cemented himself in the 1st XI by the first practice match as one of the most aggressive batsman in years. Opening in his first innings for the club, he hit three of his first four balls to the boundary against a bowler of much repute. He went on to crunch over 400 of the most entertaining runs witnessed at the club, and helped to instill a missing element of positivity in the batting line up. His 99 against Montrose against the momentum was one of the most astonishing innings ever seen by many in that team.

Beardall's short tenure with the 3rd XI early in the year demonstrated his class as a batsman, as he pillaged 162 in one of the best knocks ever seen in that grade. By his standards, he didn't have the most exceptional year with the ball whilst battling injury. A heartbreaking omission from the 2nd XI Grand Final team will see a hungry and fit Beardall ready to regain his place as one of the top bowlers at the club. Expect big things in 2007/08.

Early on in the season, Mooney shouldered much of the team's responsibility, in several matches getting the team over the line with patient and watchful knocks. With 300 runs accrued before Christmas, he didn't managed to string together the scores in the latter part of the year which will be a goal for him in 2007/08. The most important innings of this accomplished batsman's career could well be on the horizon.

A consistent season with no big hauls but enough to claim 27 wickets. Took on much of the fast bowling work and executed the task admirably, often bowling long spells to keep the batsmen tied down. A solid year at the tail of the order, with some important partnerships at key times. The club can expect another workman-like performance from Pup this season, who is only 13 away from an astronomical 600 career wickets, and 16 matches away from playing his 300th.

A highly successful year for this dynamic young cricketer, winning a 4th XI premiership and helping himself to just under 400 runs. His unconventional approach to batting was a good foil to the patient approach of his opening partner Graham Rees, although he will be looking to convert more of his starts into bigger scores, perhaps through tempering his aggressive strokeplay.

Rees had a very good season in 2007/08 with bat and ball, contributing all-round when it counted, particularly with his gritty 44* in the Preliminary Final to help his side into the big one. He was a tragic omission from the Grand Final side; after the match was shortened to a one-day game due to the condition of the ground, he was relegated to 12th man in favour of eventual man-of-the-match Andrew Jarvis. But there is no doubt this youngster will have the chance to play in many more.

In 1994/95 he took 28 catches behind the wicket, a club record. Two seasons later he claimed another record scoring 184* v Nth Croydon, a 1st XI record, breaking Robert White's old Mark of 174. Dave also holds the record for most catches for the club with 251.

Dave's cricketing personal honours have seen him play 200 games, win three 1st XI batting awards, a Club Championship and Gerald Walshe Medal among others.

Dave was 1st XI captain for 4 seasons from 2001/02 to 2004/05, taking Warrandyte to a Grand Final in 2003/04 and a minor premiership in 2004/05. Dave has served on the committee for a number of years in different roles including a dedicated bar manager for a number of years.

Dave is passionate about Warrandyte and loves his cricket and the club. Now in his 18th consecutive season of cricket, we honour a stalwart of Warrandyte and wish him success in his continuing playing career.

Records of office bearers are sketchy at best prior to 1970. Warrandyte's first recorded president was G Wyatt in 1905/06. In 1908/09, President J Speers moved to have Warrandyte move to the Box Hill Reporter Competition, where we were to play until the 1930s. For the record, Warrandyte's first premiership captain was John Till in 1906/07.

If you are aware of any historical fact relevant to the club's past that could be useful, please contact the club Secretary or the Statistician/Historian.
