Welcome to Season 2008/09

On behalf of the committee, may I welcome all players and supporters to season 2008/09 at Warrandyte Cricket Club. In particular welcome to all new players and their families, we trust you will enjoy your time at our proud and enjoyable club.

As a club, last season we enjoyed success on the field with three senior and one junior side playing finals and culminating in a second premiership in succession for the 4th XI.

As a committee we intend to renew a focus on junior development to ensure that the young people of Warrandyte are offered the opportunity to play and learn the game of cricket at a supportive and well organised club.

Ultimately this will ensure that the transition of well prepared players from junior to senior grades continues to provide for a successful future, and will require the support of senior players and parents alike.

We will be asking for assistance from many of you to assist in junior development, and I encourage anyone who would be willing to volunteer some time on either a permanent or casual basis to contact me (potential remuneration by negotiation).

Off the field the committee shall maintain the status of the club as an enjoyable place to play cricket by improving club facilities and enhancing the relaxed social environment for players, supporters and their families.

The committee strongly welcomes the creation of a "supporters group" to assist with post match celebrations and general support of the players, and I encourage all past players and supporters to get involved as current players can only benefit from your support and knowledge.

On the field this season we intend to continue to develop our strong senior playing group and increase our ultimate focus on winning a 1st XI premiership - returning the club to its rightful position as one of the premier clubs in the RDCA playing in Chandler Shield. The committee places absolute support behind Adam White, Steve Pascoe and the senior leadership group as they strive to achieve this goal.

As President, I hope that all players and members of the club will find me approachable and helpful in the event that anyone has ideas about improving the club and/or has an issue they would like to raise with the committee. I will endeavour to assist in whatever capacity is required to make sure that the club is a positive place in which all people are able to enjoy their cricket.

Finally, a special thank you to Daniel Wellesley and Stephen Goddard for once again preparing this magnificent Almanac, a publication which provides a great source of knowledge and statistics and which would befit a professional sporting body.

Good luck to all players for the upcoming season. Let's make sure that we have an enjoyable and successful season on and off the field!

Matthew Chapman
President

development*

A Renewed Focus

I honestly can't remember being more excited about a new season at Warrandyte. With overwhelming numbers turning up for pre-season training, along with some new faces, this could be a very special year for our club. We have not lost any of our senior players from last season and I am confident with the injection of some exciting new players and some old faces returning, we will have five senior teams that will all be competitive in every grade this year.

Having had six months to reflect back on last year's season, I am proud to think of all the successful moments the club had over the year and also some of the incredible achievements some of our players produced at times during the season. Once again we had three teams make the finals, with one new premiership pennant to display in the clubrooms after the devastating performance from our Fourth Eleven who managed to win back-to-back premierships under the captaincy of Graham Rees.

While the First Eleven were all very disappointed with losing both of its matches in last year's Final Series, I thought our effort to finish the home-and-away season on top of the ladder was a fantastic achievement and should not be under-valued. While we were unable to capitalise once we got into March, we were very competitive in both matches and with a little bit of luck, things could have been very different. But the reality is that we are now about to embark on a new season where everyone starts from an equal footing. Last year is now in the past – both the good and bad memories. It is important that we do not dwell on the past, but it is also essential that we learn from the experiences of last season. The First Eleven knows that when the team plays their best cricket, it can beat any team in the competition.

I firmly believe we have the ingredients at our disposal to launch the best attack at a First Eleven premiership in fifteen years

From an individual perspective, we had a lot of players improve dramatically over the past 12 months. The challenge is for us all to not become complacent in their efforts from last year, because my expectation is for all players to want to improve even further in attempt to take their cricket to even higher levels. While I am proud of the club's efforts last year, it was imperative the club needed to be passionate about being even stronger – and that's exactly what the new committee under the leadership of new president Matthew Chapman has done over the Winter. I am proud to introduce two new players that will have a big impact on the competition this year, Cameron Skermer and Clint Thomas. Both come to Warrandyte after playing in last year's premiership team at Ashburton in the top division of the Eastern Cricket Association. Cameron and Clint have had long and distinguished careers at one of the most powerful clubs in the ECA and will bring a wealth of experience and class to our club. Both have also had experiences of playing club cricket in England. In fact, Cameron was the first overseas player to represent Chipperfield Cricket Club 1996, while Clint also played a number of games for Chipperfield in 2001. They also bring a professional and winning culture to Warrandyte. Cameron is a top order batsman and Clint is an all-rounder.

While two new recruits are a major boost to our club, I am also thoroughly looking forward to continual development of some of our other players that were very important for us last year. There is no question that players like Justin Cleaves and Jake Sherriff can go to a new level this season and improve the First Eleven further. Campbell Holland re-emerged to again be one of the most dangerous bowlers in the competition. Hostile and attacking in his approach, Campbell proved again last year he is a genuine match-winner. The question is; how much better and more damaging can Campbell become this year? Matthew Sazenis has the challenge of staying ahead of the pack. He is now widely regarded as the best spinner in the competition with a mountain of wickets again last season. He is invaluable for our cricket club and we are very lucky to have such a talented player to watch every week. His impact on Warrandyte should not be underestimated. I am also looking forward to Brad Valentine consolidating his incredible season last year with another big bag of runs this season. When you add the experience of Dave Mooney, Gerald Walshe and Robert White into the mix, I firmly believe we have the ingredients at our disposal to launch the best attack at a First Eleven premiership in fifteen years. And it's not just about our best seven or eight players. The challenge is also there for some of our other senior players to step up to the plate so they too can share in the success this year. Ben Taylor, Daniel Wellesley, Adam Beardall, Stuart Haworth and Blake Morgan headline a healthy list of a number players who are desperate to play First Eleven cricket this year. The challenge for this group is to put the pressure on!

There are also plenty of others that will play a very important role in the success of our cricket club this year. Without fail, each year a player will emerge from the pack to become one of the individual success stories of the year that were not necessarily in calculations at the start of a season. Three years ago it was Ayrton Dehmel. A couple of years ago it was Nami Yilmaz, Chris Barry and Blake Morgan. Last season it was Brad Valentine and Jake Sherriff. So, who will it be this year? I am also proud of the development of our future stars. We have the next group of junior starting to filter through in the same way Ayrton, Chris and Jake have done over the recent past. Daniel Barry, Mitch Gaffney, Jack Ellis and Ryan Pascoe are just some of the names that are starting to blossom as they get a little bit older and stronger. Well, that's the introduction of the year ahead. A season that promises so much excitement and success provided we continue to all work hard and want to improve.

All the very best and let's aim to have all teams still alive in March for the Finals Series. That's the challenge I am setting for everyone in the club to strive for!

Land for Warrandyte Reserve had been set aside as a cricket ground as early as 1855, making Warrandyte one of the oldest cricket grounds in Victoria and Australia. In 1865, the ground was officially set aside as recreation land by the Government; this saved it from gold mining claims following protests from residents. Although games are known to have been played earlier, the first documented match was played on the 1st Jan 1864. The first basic facilities, shelter and fencing were installed 1908. Facilities evolved gradually to more formal clubrooms, but were destroyed in 1939 during the Black Friday bushfires. A new pavilion was eventually built, where it stands to this day. Extensions were completed in 1988 which give us the social rooms that stand today.

Code of Conduct

2008/09

Traditionally, cricket has been the one sport to maintain and exhibit the highest levels of conduct and sportsmanship. While always a most competitive game, the continued strength of the sport has relied upon the acceptance of the Umpire's decision and the preparedness to play within the "spirit of the game". The areas of major concern and those clearly unacceptable, are:

1. The use of offensive language - generally as a disparaging remark to an opposing player or toward an Umpire, or even as an expression of frustration or self-admonishment. This includes racial vilification (any act that is reasonably likely to threaten, disparage, vilify, offend, insult, humiliate or intimidate another person or group based on race, religion, descent, colour or national or ethnic origin).
2. The questioning/disputing of the Umpire's decision - often in an aggressive or sarcastic manner. This applies equally to dismissals and unsuccessful appeals as to the judgment of calls on no-balls, wides, byes, etc.
3. The excessive number of frivolous and ridiculous appeals - primarily aimed at pressuring and intimidating the Umpire into a favourable decision.
4. The actions of the dismissed batsman - in failing to leave the crease promptly on being given out and any equipment abuse (eg banging the bat into the ground or against the fence or race, etc and/or throwing the bat or equipment during or after his return to the pavilion).
5. "Send offs" - usually to a dismissed batsman by the bowler or a member of the fielding side. This can often inflame the situation and lead to a more serious altercation.

Players must all time abide by the Code of Conduct of the Ringwood District Cricket Association:

- (1) The following code of behaviour has been recommended by the Victorian Metropolitan Cricket Union (VMCU) for inclusion in local rules books.
 - (2) All matches shall be conducted in the true spirit of the game of cricket and club Officials, Coaches, Captains and Players are requested to adopt this code.
 - (3) No player or official shall, during any match, whether on or off the field of play, engage in conduct unbecoming to the game of cricket.
- Players shall:
- (a) Respect the umpire.
 - (b) Not verbally or physically abuse any umpire.
 - (c) Not dispute the umpire's decision nor react in a threatening or disapproving manner.
 - (d) When given out, move immediately from the field.
 - (e) Generally assist the umpire in carrying out his duties.
 - (f) Not indulge in "slogging" of opposition players.
 - (g) Not verbally or physically abuse opposition players or officials.
- (4) Clubs shall place all teams under the control of a responsible person.
- (5) Captains shall:
- (a) Instruct all players to avoid time wasting. Incoming and outgoing batsmen are expected to pass on the field of play.
- Instruct bowlers to return to the start of their run-up quickly and be ready to bowl without time wasting.
- Instruct all fieldsmen to move quickly between overs and whenever required to change position, ie field setting/changes be undertaken without time wasting.
- (b) Ensure that players conduct themselves in a manner that conforms to the traditional image of the game of cricket.
 - (6) No alcohol shall be consumed by players or match officials during the hours of play.
 - (7) Players shall maintain a standard of dress:
 - (a) All players must appear on the field in proper cricket attire, comprising white shirt with collar, white pullover if worn, long white trousers, white socks and white footwear which may include coloured stripes. Players officiating as umpires must wear proper cricket attire plus distinguishing clothing as required under Rule 113. White shorts may be worn only by players under the age of sixteen (16) years, on the 1st September each year. Umpires shall report players contravening this rule who shall, on a first occasion, be fined \$3.00 and, if a further breach of this rule occurs, shall be dealt with by the Board of Management, which may impose a higher fine or penalty.
 - (b) No player shall wear boots or shoes equipped with studs, spikes, sprigs or projections made of metal or hard plastic which could damage the surface when playing on matting or synthetic wickets. The penalty for non-compliance with this rule shall be a fine of \$12.00 and the offending player shall not be permitted to participate in the match until this rule has been complied with.
 - (8) Clubs will be responsible for the behaviour of their supporters and spectators.
 - (9) Player being NAMED Under the following criteria:
 - (a) During the progress of a match, all players and club officials shall behave in an orderly and seemly manner and abide by the spirit of cricket. Bad language will not be tolerated. Smoking on the playing field during the progress of a match is strictly prohibited. Alcoholic beverages must not be consumed during hours of play.
 - (b) Clubs will be responsible for the behaviour of their spectators.
 - (c) Where an umpire believes a player has infringed the code or conduct, but does not believe a formal report is warranted, the umpire shall inform the player that he will be named. At the same time, the umpire will advise the Team Captain of the naming and that any further such incidents during that match will result in the Captain being named for inability to control his players. The naming will be formalised by completion of a "Naming Form", which is to be signed by the offending player and/or his captain and/or club representative. After each naming the player and the club secretary shall be notified in writing. Should a player be named on two occasions over a season, the player shall be automatically suspended for the next 2 RDCA matches in which the player's team is competing. Subsequent namings will be dealt with as seen fit by the Board of Management.
 - (d) Should a player be named in the finals series, such naming shall carry over to the subsequent season.
 - (e) Umpires are to report serious breaches of behavior.
 - (f) It is expected that misconduct by a player or club official shall, in the first instance, bear the following minimum penalties.
Audible obscenity: Naming
Disputing decision: Naming
Slogging: Naming
Alcohol consumption during match times (player) :Report 4 weeks
Equipment Abuse: Report 4 weeks
Abusive language – to player: Report 4 weeks
Abusive language – to Umpire :Report 8 weeks
Intentional player contact :Report 12 weeks (min)
Umpire intimidation :Report Investigation
Other misconduct: Report Investigation
If the misconduct recurs these penalties may escalate.
 - (g) Manager Administration may nominate an appropriate penalty that a reported player may accept in lieu of attending an Investigation Committee hearing.
 - (g) Any player suspended during the season shall be deemed ineligible for selection in representative teams.
 - (h) Penalties, whether automatically accepted or imposed at a hearing, shall be posted on RDCA website.
 - (10) Persons registered with the Ringwood and District Cricket Association Inc. (RDCA) who post on the RDCA website or on a club website will be subject to the rules of the RDCA.

The Warrandyte Cricket Club requires its members to behave in a manner that respects other members, protects their safety and welfare, and that of the property, grounds, equipment and facilities of the club. Failure to abide by these rules or those of the RDCA may result disciplinary action being taken that may include suspension or expulsion from the club, or other action as deemed fit by the committee.

WARRANDYTE CRICKET CLUB 4th XI - J GRADE PREMIERS 2007/08

Back Row: P. Sharpe, G. Zach, N.Croft (MoM), B. Zach, C. Carver,
C. Lincoln, T.Standing, W.Standing (12th man)
Front Row: M. Gaffney, R. Pascoe, V. Pettigrove (K), G. Rees (C)

In looking forward with enthusiasm to the coming Veterans' season, it must be admitted that last season was difficult for the more mature section of our Club.

Week after week we struggled to field full and competitive teams in both the Masters (over 40's) and Legends (over 50's) competitions of the Ringwood & District Cricket Association (RDCA). Nevertheless, the format of the competition ensured that everyone wanting to have a go was certainly given the opportunity to benefit from continued enjoyment of the fantastic game of cricket at a time in their life that may otherwise have seen them as merely spectators.

As one of the founding Clubs, we too celebrated the 20th season of the RDCA Veterans competition and it's original aims of providing a medium for the older cricketer returning to a game of their youth and prolonging the "careers" of many cricket tragics in an atmosphere of involvement and fellowship for all.

While not winning many matches, we certainly had fun at the same time as a modicum of exercise for bodies that did not often complain to the point of incapacity.

Greg Swedosh (Masters) and Ian Sharp (Legends) provided terrific on-field leadership, often under difficult circumstances, and between them supervised the introduction of 13 new players to the Club, many of which who were returning to the game after many years' absence.

These recruits will prove a godsend for the coming season as both the Masters and Legends will be playing on the same day which means that the Legends will not be able to assist with numbers for the Masters team in future.

A collective sigh can be heard from those Legends players who were called upon to help out the Masters in previous years as they will no longer need to front up every Sunday and will now have a full 2 weeks for their bodies to recover for their next match.

The new season promises much. With both teams alternating home and away matches, arrangements will be made for after match sausage sizzles at home matches to entertain opponents being followed by adjournment to a nearby bistro or restaurant for members of both teams and their families to get together and relive the heroics of the day. (These functions also double as a "Brownie Points" accumulator as wives / partners and family are welcome to attend and dispense with the need to prepare meals at home).

Again we hope to welcome many newly eligible veterans cricketers and, indeed, a group of locally based mates have indicated their intention to join our Club and will ensure the short-term continuity of the Masters team, lower the average age and provide a great backbone for future success.

Formal training arrangements will be introduced for the coming season and, still by no means compulsory, will be held on Friday evenings at 6.00 pm commencing 10 October 2008.

Our pre-season strategy meeting and "Brownie Points" starter will be held at Pasta Mania, Colin Ave., Warrandyte on Sunday 12 October 2008 commencing at 6.30 pm.

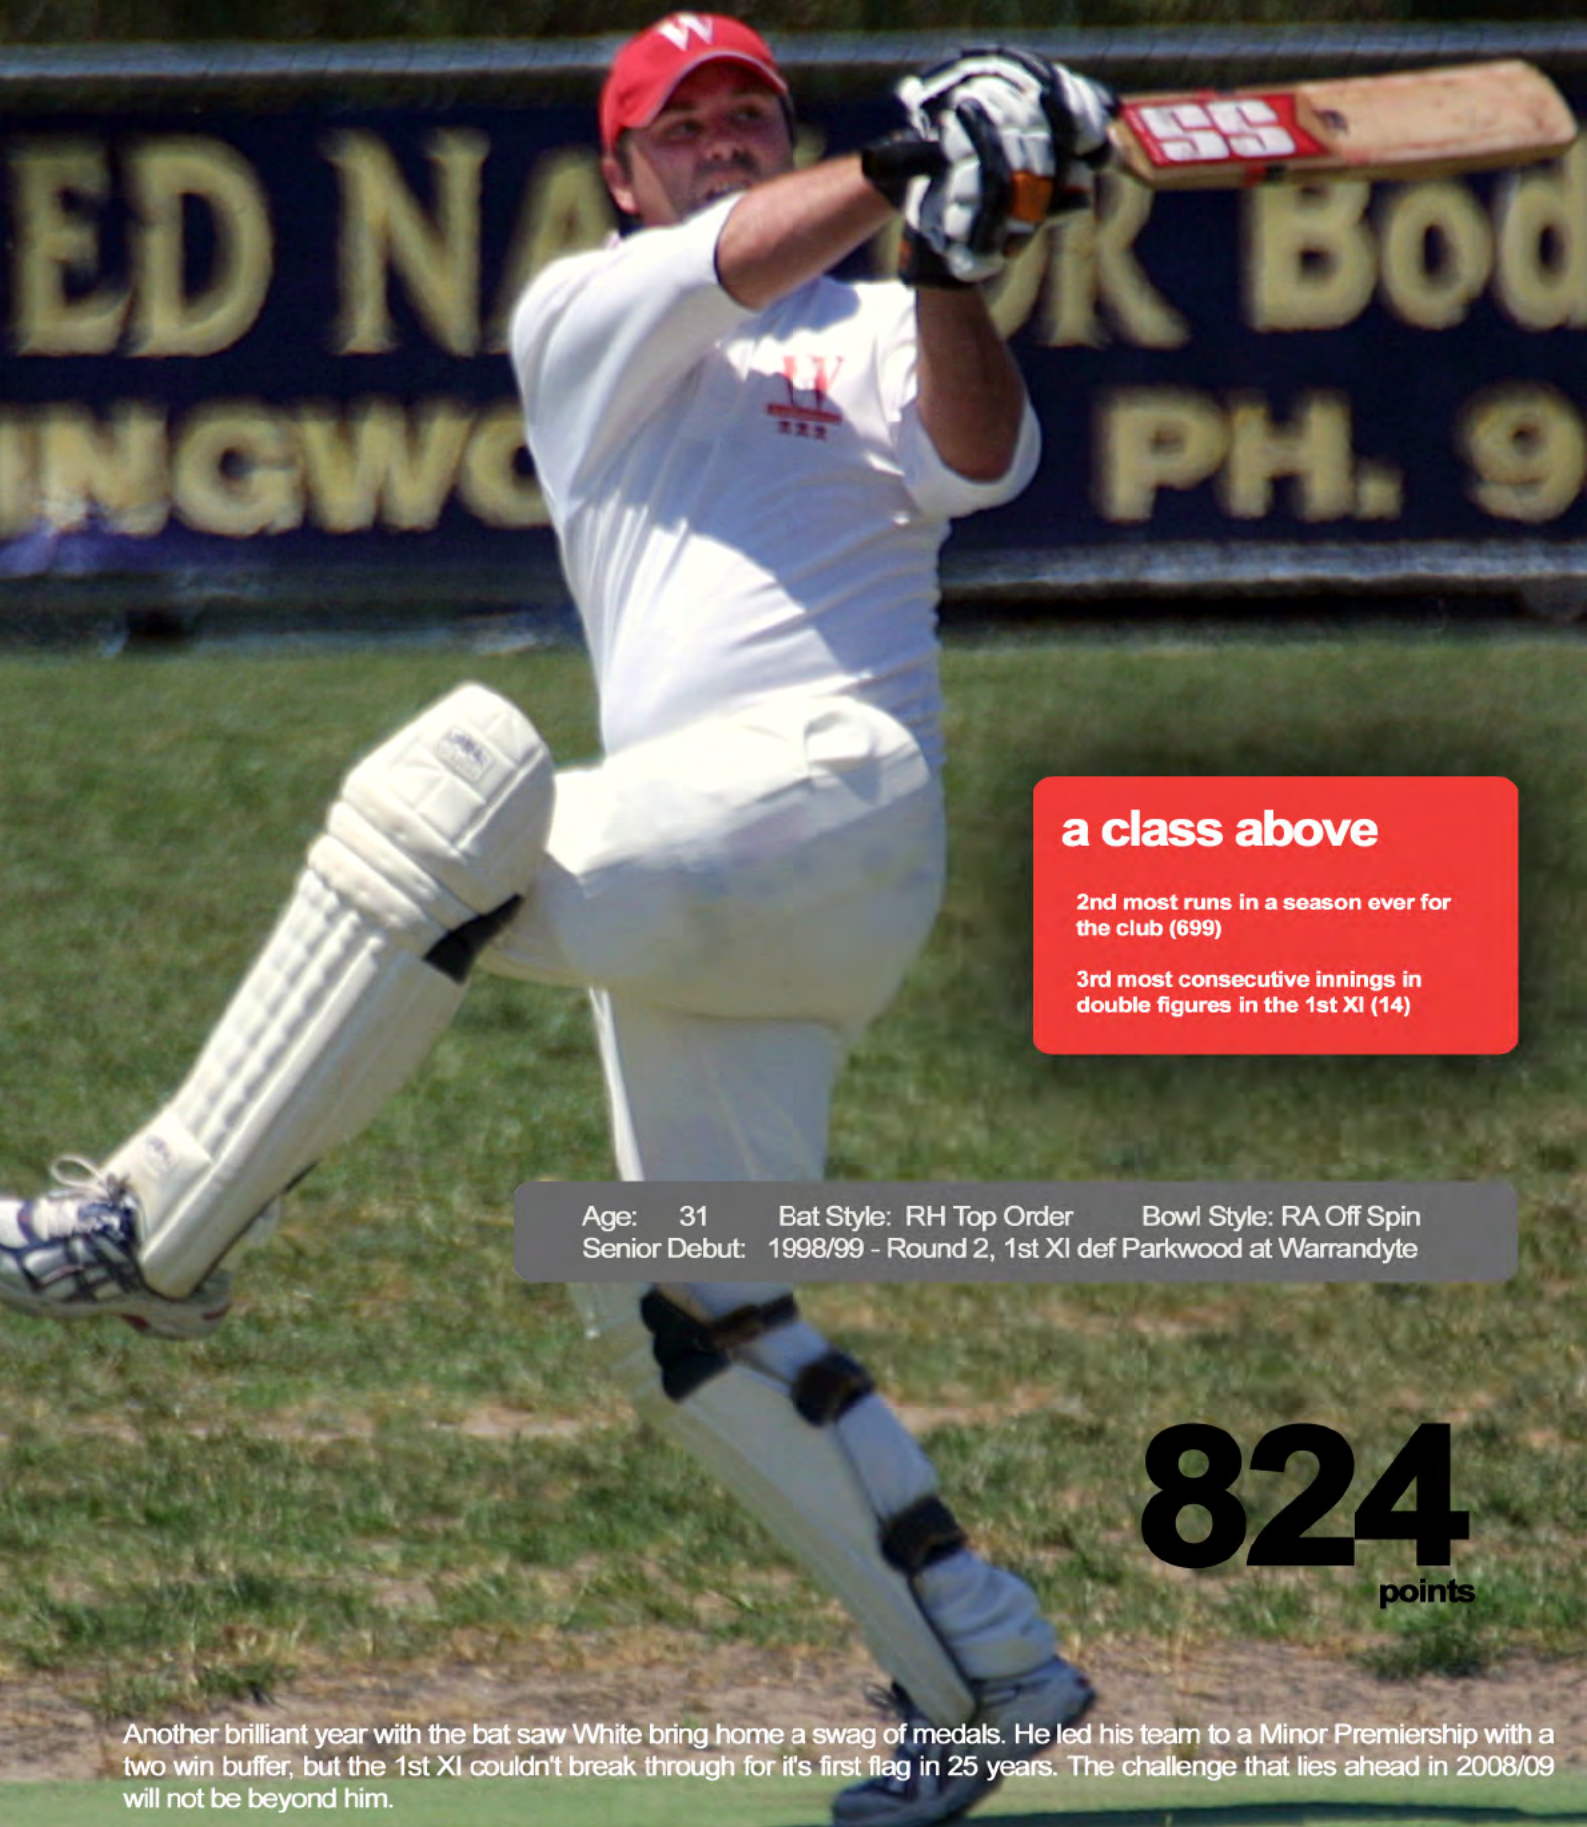

Full details of fixtures are included in this Almanac, as are contact details.

Please keep a look out for regular newsletters, including team nominations, prior to each match day, and convey any changes as to availability as soon as known.

Another brilliant year with the bat saw White bring home a swag of medals. He led his team to a Minor Premiership with a two win buffer, but the 1st XI couldn't break through for it's first flag in 25 years. The challenge that lies ahead in 2008/09 will not be beyond him.

Season Review

A brilliant season with the bat saw him score the most runs in a season by any Batsman behind the great John Salter (955). His captaincy centred around a well-formulated game plan that consistently unsettled some of the form sides in the competition. In a turnaround from previous seasons, the 1sts managed to get on top of some of the lower rated teams that often caught them off guard, consolidating a two game buffer on top of the ladder going into the finals.

Looking Ahead

If not for brilliant individual performances by the opposition in both finals, the story of 2007/08 may have been different - but White's hunger for the Wilkins Cup will only have intensified. He will once again look to take on the competition leading a senior squad with a good mix of experience, maturity and raw talent.

Highlights

1. Rnd 3 - Clubbing a destructive 135 for main maiden ton on Warrandyte turf to humble North Ringwood's 2nd XI
2. Rnd 12 - His 91 was the mainstay of Warrandyte's 5th highest 1st XI run chase of 294 against a resurgent Montrose
3. Rnd 13 - 61 runs in another century partnership with Brad Valentine that delivered victory over the to-be Premiers

Emerging Greatness

White's incredible statistics now put him on par with some of the great batsmen who have played for the club. In his 90th match, he became the 3rd fastest player to reach 3000 career runs behind his father Robert (69 matches) and Greg Tregear (85 matches). After having won all awards on offer over the years, only the prize of a premiership has eluded him.

Luck with the coin

Between Round 14 and the Preliminary Final, White won an amazing six consecutive tosses - still three short of the club record set in in the 1st XI in 1955/56.

Best at Four

2007/08 saw White become only the second player behind John Chapman (Opening) to score 2000 runs at any given batting position (Number 4)

Personal Bests in 07/08

Greve's best season, 147 points higher than his previous best (557 in 2006/07)
Most runs in a season, beating 442 in 2006/07
Highest career scores of 138 v Knox City, beating 125 in 2005/06
Two consecutive Grand Finals

A Style of His Own

Greve's batting style is often unorthodox; his tennis pedigree often shines through at the crease through an array of groundstrokes that deliver runs at will. What is most obvious to the observer is his incredible hand-eye co-ordination and power which allows such a vast range of strokes.

Better than Average

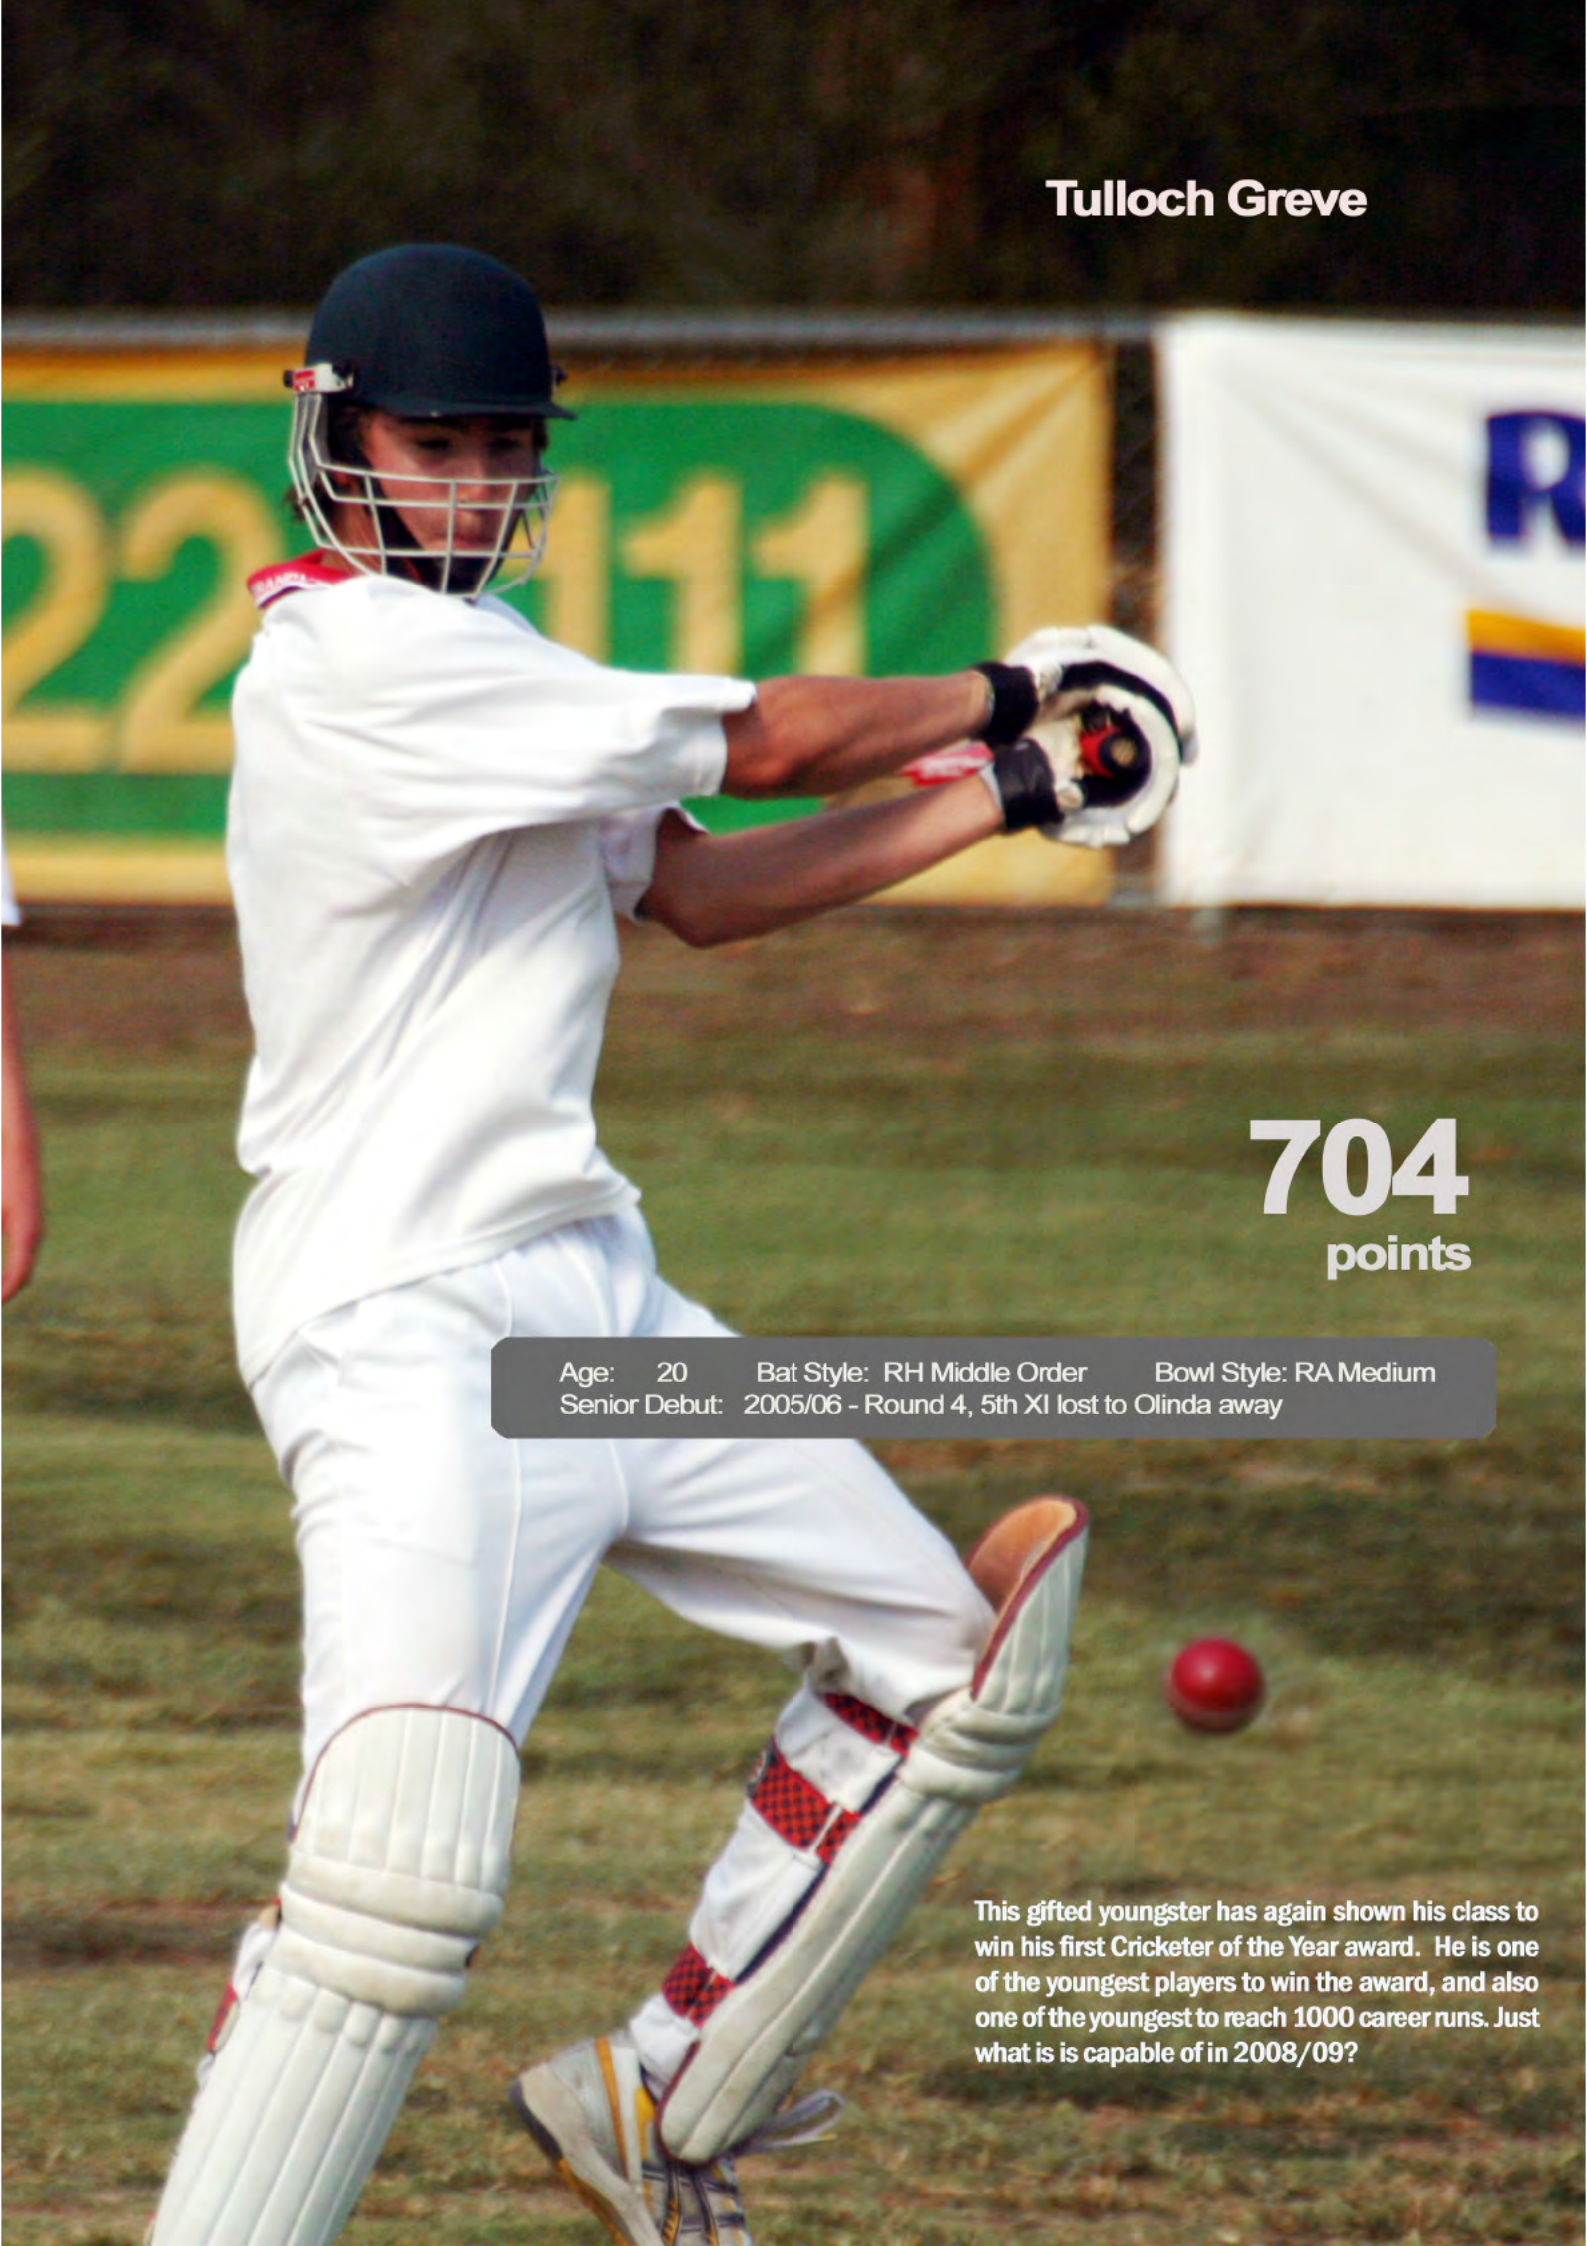

Despite his young age, Greve is one of only five batsman at Warrandyte to have made more than 1000 runs and have a career batting average over 40. Having played in all three lower grades, he averages 40 in each of them.

Season Review

Greve has climbed the ranks since his debut season in the 5th XI in 2005/06 to become the backbone of the 3rd XI batting line-up. Remarkably, he has taken six wickets in all three seasons he's played. He was unlucky not to back up his 2006/07 4th XI premierships with a 3rd XI flag, but showed he is a dependable scoring option in any grade he plays.

Looking Ahead

Will once again look to take apart bowling attacks from his place in the middle order this year. His technique has matured with diligent practice, his defensive game is more solid than ever allowing him to weather the storm of the frontline bowlers when needed. You can almost bet on another ton from Tully this year.

This gifted youngster has again shown his class to win his first Cricketer of the Year award. He is one of the youngest players to win the award, and also one of the youngest to reach 1000 career runs. Just what is is capable of in 2008/09?

Brad Valentine

Returning to cricket in 2007/08 with a renewed vigour and passion for the game, Valentine soon proved he was still a class act with the bat. But his season was to deliver results far beyond expectations, becoming one of the heaviest scorers in the Wilkins Cup competition. What's in store for 2008/09?

Partners in Crime

Brad Valentine and Adam White quietly set a club record when they surpassed a mark set by Allan Chapman and Jim Harris in 1953/54. Their frequent partnerships during the 2007/08 season saw them pile on the most runs in tandem during a 1st XI season with 576, beating the previous mark of 522.

Season Review

It was a welcome return to cricket for one of Warrandyte's favourite sons. Valentine's foray in 2005/06 provided a short and somewhat late exposure to 1st XI cricket, following by a year's hiatus. To everyone's relief the break was only temporary. Earning his stripes in the 2nd XI, by round 3 he had cracked 140 runs at 46.67 and claimed the position vacated by an injured Daniel Wellesley. After a bumpy start saw a duck in his 1st XI return, he posted 46 in his second outing and never looked back. Ten rounds later he was one of the most talked about batsmen in the Wilkins Cup competition. His efforts with good mate Adam White piled on several century partnerships and won many games. Late in the season he almost singlehandedly lifted Warrandyte clear on top of the ladder and with the same defiance went close to taking Warrandyte to the last day in March.

Looking Ahead

His devastating late season form will be in the minds of all teams in the competition. He will be targeted with both the respect and pressure that comes with being a big name player in the Wilkins Cup competition. He is largely unfazed by the pressure of the opposition and prefers to seat his own goals and follow those of his team. With the ultimate goal still a priority for 2008/09, you can be sure that this focused cricketer will have maintained his steely resolve.

Back to his best

Despite persistent injuries plaguing Holland during his career, the season past saw Holland rise above some of the niggles and deliver a season that lived up to his potential. Still a few yards off his quickest, it will be interesting to see if his body has recovered enough from the football season to allow him to regain his express pace.

Season Review

No-one expected too much from Holland in 2007/08, with a body battered by another brutal football season it was good just to see him start in the thirds. His time in the lower grades was spent well, refining his batting craft and blasting 95 in yet another good knock against Chimside Park. Picked on his merit in the 2nd XI as a batsman, he was soon able to bowl at close to full pace again and a 3 wicket haul was enough to see him return to the 1st XI in Round 7. It was a triumphant occasion as Holland claimed 3 wickets and blasted a quickfire 35* to help Warrandyte post a commanding 295 run total. From there he found form of old as he troubled all the batsmen in the competition deep into the finals series. He missed out on the 1st XI bowling award by just 0.15 of a run, showing how important he was to the team's dominance of the regular season.

Looking Ahead

One of the most dangerous all-round cricketers of his generation, his form in 2008/09 will largely be guided by any injuries sustained during his football season or through other activities. A fit Holland should once again hold the mantle of the premier fast bowler in the Wilkins Cup competition.

Two five-wicket hauls in a season for the first time

Highlights

1. Prelim Final – 5/79 off a mammoth 34 overs against Croydon Ranges
2. Rnd 12 – 5/64 in Warrandyte's amazing victory over Montrose
3. Rnd 8 - 4/15 to destroy Bayswater Park's innings in just 5 overs

A legend in the making

Sazenis once again proved he's the best spinner in the RDCA with another 30 wicket season. The past 12 months have seen his graduation from talented youngster to dominant force. Regularly thrown the ball by his skipper when a wicket is needed or an end needs to be tied down, Sazenis will regularly bowl all day up the hill and claim half the wickets. At only 22 years of age, one can only imagine the heights to which he will take Warrandyte in the coming years.

Season Review

Steady returns with the ball early on built momentum for Sazenis as he looked to once again dominate Wilkins Cup. He regularly manages to reveal the faults of some of the finest batsmen in the RDCA through his penetrating loop, line and length. By contrast he had a horror start to the year with the bat with a string of single-figure scores, but a quickfire 34 against Bayswater Park in a Twenty20 length match broke the shackles and saw him post regular contributions after Christmas. Like most of his teammates he would have been disappointed not to capitalize on the double chance in the finals, but with a positive outlook and hunger for success he will no doubt be a part of a premiership team in years to come.

Looking Ahead

With an impressively appointed cricket CV at such a young age, Sazenis is already armed with some dangerous weapons in his bowling arsenal and has 100 games experience. Many pundits have been wondering when, not if, he will impose his will on the competition and claim more than 50 wickets in a season. Each season will have added a strong dose of wisdom and guile to this likeable young man's character, we all look forward to how he will apply himself in 2008/09.

Season Review

A stellar year for this amazing young talent. At only 16 years old he led his side to a flag with the bat, and missed out by one innings on qualifying to win the RDCA batting award - the next best was nearly 40 runs behind him. He saved his best performances for Ainslie Park, who Warrandyte had to play twice in the finals. His season will go down as one of the best ever by a junior playing seniors.

Looking Ahead

Pascoe will undoubtedly graduate to higher grades of cricket in 2009/09 after a season spending so much time at the crease. His name will be one to watch in the coming years.

Josh McKellar

Highlights

1. R13 – 4/14 from 10 overs, and 52* against Croydon North in the 3rd XI
2. R14 – 5/52 from 24 overs in the close loss to Warranwood in the 3rd XI
3. R3 – 52* to cap off a total of 3/407 in the 4th XI outright demolition of Knox City

Season Review

McKellar's cricketing journey continued in 2007/08 as he was elevated early to the 3rd XI to fill a pivotal all-rounder position. He made the transition well both with bat and ball playing several important innings with the bat, and taking regular wickets with the ball. He was one of only three players to complete the 200 run/20 wicket double at Warrandyte in the 2007/08 season, highlighting his value as in any team. Like all of his teammates he will have been disappointed to see a Premiership elude him.

Looking Ahead

McKellar is likely to continue his crucial all-rounder role in 2008/09, early signs in pre-season hint at a focused effort on achieving a maiden century next year. His outswing bowling will again be important in the effort to win an elusive 3rd XI flag.

Season Review

A brilliant young talent emerging from Warrandyte's junior cricket program. Proven his class already at senior level with a century and a five-for under his belt at the age of just 15. Several of his performances in the 3rd XI were instrumental in the team making a Grand Final, 3/30 in the big match showed he could get the job done under pressure.

Looking Ahead

It's an exciting prospect that Ellis will be making his way through the senior grades in the coming years. Still in his final year of junior cricket, he has a lot of development remaining and will no doubt one day fill a 1st XI spot at Warrandyte. Widening his bowling arsenal will be a priority this year, particularly adding an outswinger to his vicious natural inswinging action.

Vin Pettigrove

2. Semi Final – 90 runs to help usher the 4th XI into a Grand Final
3. R7 – 56 against Wantima South to post his first half century of the season

Season Review

This seasoned campaigner finally bagged a premiership medal after several seasons in the 4th XI. He is a crucial part of Warrandyte's batting line up; where often the tempo of the innings can be unclear to the batsmen, Pettigrove makes it quite clear from his play that the order of the day is scoring quickly. This in turn sets the pace for the rest of the batsmen, and his influence is a major factor in some of Warrandyte's big totals. Providing solid glove work, he was a major part of the success of the 1st XI in 2007/08.

Looking Ahead

The club is hoping Pettigrove's cricketing career is extended for at least one more year, a persistent hamstring injury may deter him but there is still plenty of success on offer as the 4th XI go for three in a row.

Season Review

A triumphant return to 1st XI cricket for White, 37 years after he commenced his Warrandyte career. Having lost none of his probing, persistent line and length of years past, he took regular top order wickets, and occasionally took the new ball with his tweakers. Although time has taken its toll on his once invincible batting prowess, he still managed to sneak past 6000 career runs to put him in even more rarified air.

Looking Ahead

Age seems no barrier to White, it certainly provides no protection or comfort to the batsmen he regularly dismisses. One of the club's greatest legends is still capable of delivering matchwinning performances and hence has no reason not to play on in 2008/09!

Sharpe capped off a successful return to Warrandyte with his third premiership in the 4th XI from nine seasons. He also notched up his maiden ton against Norwood at Stintons. Showed he could still do a bit with the ball taking 2/15 from 5 overs in the Semi Final against Ainslie Park. The young 4th XI benefited from having a player of his experience in the side.

Looking Ahead

Still fit and raring to go in 2008/09, Sharpe will look to join the mission to win three consecutive fourth XI flags at Warrandyte.

A solid all-round year for Beardall as he joined the 2nd XI's A Grade campaign. His season was bookended by standout performances with 51* in Round 1 in the win over Croydon North and 5/51 against Kilsyth in Round 13. Usually one of the standour slips fieldsmen at the club, he had a quiet year in the cordon along with most of his colleagues.

Looking Ahead

Beardall will be aiming for another 20 wicket/200 run season in 2008/09 and will be a crucial player in the 2nd XI. Will be called upon by his skipper to both break partnerships and occasionally take the new ball in one-day games, highlighting his versatility as a cricketer.

Achieved back-to-back Premierships in just his third season at Warrandyte. This energetic cricketer was a key player at the top of the order for the 4th XI, knocking up nearly 350 runs including his maiden century for the club. Probably his most important innings was his team top-score 42 in the Grand Final run chase, proving Zach is a confident player under finals pressure.

Armed refined batting technique that looks to balance creative stroke play with sensible shot selection, we can expect Zach to continue his good form into 2008/09.

Season Review

A renewed focus on cricket in 2007/08 saw Lincoln settle into the 4th XI team to provide much needed leadership with the new ball. This highly experienced cricketer with an excellent pedigree of almost 100 2nd XI wickets was a valuable addition to the Premiership side. He proved he was a class act in J Grade by taking out the competition bowling award.

Looking Ahead

A quiet off-season sees Lincoln free of niggles in 2008/09 and he will be firing come round 1. His quality in the bowling department will be highly regarded by senior captains looking to have him in their side. He will be itching to return to the 2nd XI to ply his craft and perhaps snag the two wickets needed there for 100.

A welcome return the club for a former junior champion saw him straight into the action in the 1st XI. A solid fielder and outstanding batsman, he played some crucial knocks coming in at number 6 often boosting Warrandyte's total making 40s on three separate occasions. A strong cricketer he has little trouble dispatching bowlers over the fence with little more than a short-arm jab. His handy medium pace provided his skipper with a partnership breaking option.

Looking Ahead

Although limited opportunities present themselves for big scores when batting in the lower middle order, Cleaves would enjoy notching up a half-century this year. His medium pace bowling will again be key from the all-rounder position, with a focus on his ability to bowl the yorker at will.

Croft's 17th season was another solid and dependable one, scoring nearly 250 runs. Highlights with the bat were 64* in Round 11 against Croydon North, but the biggest highlight was a 4th XI Premiership in which he was man of the match for his devastating 4/7 spell.

After taking the reigns of the 4th XI several years ago, Rees has taken his team to levels of success not seen in a decade. His 2nd successive year as a Premiership captain was complimented by a solid personal all-round performance. Rees has a steely-eyed focus on rampaging through I Grade and claiming yet another flag.

Not to anyone's suprise, Sherriff was an early inclusion in the 1st XI team, and quickly started to cause trouble for Wilkins Cup batsmen through hostile spells of bowling with the new ball. A very good start to his senior career with 18 wickets, and several crucial innings with the bat.

Mooney's 20th season of cricket at Warrandyte was another solid 300 run contribution. Providing much needed stability in the middle order, he often formed partnerships to help boost Warrandyte's total past 250 on numerous occasions. His brilliant short cover fielding applied enormous pressure on the batsmen and save countless runs. Only one half century didn't tell the real story of his season, but 2008/09 will see him wanting to notch up a few more big scores.

Revell's season was full of mixed fortunes, but settled into the 3rd XI for the finals campaign and played a number of vital innings in the latter part of the year. His solid style was a great building block at the top of the order, he'll be hoping to have another crack at finals in the season coming.

Starting where he left off in the 1st XI, Gidley soon succumbed to injury and but restarted his campaign mid season in the 3rd XI. He passed 200 career wickets on the way and became a club legend, there is no doubt more success on the horizon for this man.

One of the club's greatest ever champions continued his journey this year, and managed to become the first ever Warrandyte cricketer to take 600 wickets in their career. A stock-standard 20 wickets season with no big hauls shows just what a consistent bowler he is, regularly knocking over the top order with the new ball. Round 1 of 2008/09 will see him pass an unbelievable milestone become the first senior player to reach 300 games.

Records of office bearers are sketchy at best prior to 1970. Warrandyte's first recorded president was G Wyatt in 1905/06. In 1908/09. President J Speers moved to have Warrandyte move to the Box Hill Reporter Competition, where we were to play until the 1930s. For the record, Warrandyte's first premierships captain was John Till in 1906/07.

If you are aware of any historical fact relevant to the club's past that could be useful, please contact the club Secretary or the Statistician/Historian.

Clinton Grybas

9th February 1975 - 5th January 2008

It was a massive shock when the Warrandyte Cricket Club learnt of the sudden passing of Clinton Grybas during a hot Saturday afternoon in early January. The First Eleven heard of the news during the afternoon tea break against Ainslie Park in a one-day fixture.

While not all knew Clinton personally, everyone was aware of his love for the Warrandyte Cricket Club. There were some in the First Eleven who were very close to Clinton having grown up together in Warrandyte. As a consequence, the match against Ainslie Park became one of the most emotional afternoons in the club's recent history, as the First Eleven dedicated its performance to Clinton. Ultimately, the team produced one of its finest victories under incredibly difficult circumstances, which will be remembered for many years. It also illustrated the impact Clinton had on the club.

Clinton had strong links with the Basketball Club and the Football Club, but he was also a passionate supporter of the Cricket Club where he was a player both with the junior and senior grades. But that wasn't Clinton's only involvement in the club. For many years, he wrote the cricket article for the Warrandyte Diary, which saw him spend countless hours watching all the action from the grandstand. When his own career behind the microphone started to blossom, Clinton became a supporter from afar.

While his major focus was to keep ahead of the game in so many sports both nationally and internationally as a media performer, Clinton still knew who was making all the runs and taking all the wickets for Warrandyte. Clinton was always excited to hear Warrandyte's successes after a big win on a weekend. He would get just as frustrated when he saw Warrandyte's batting line-up had collapsed in sight of victory. He would want to know all the details as to why it happened and wanted to know who was responsible.

To the wider sporting fan in the street, Clinton will always be remembered as the one of the best sports commentators the country has ever produced. Someone who lived and breathed sport both on radio and television. But the Warrandyte Cricket Club will remember Clinton as not only being that first-class broadcaster, but also as a passionate supporter of the Cricket Club who was a friend to us all.

Ian "Butch" Cameron

18th September 1936 - 29th April 2008

Ian Cameron came to our Club because he identified it as an ideal environment in which his son, Sean, could develop and enjoy his cricket. He had no pretensions of being a top grade cricketer and, indeed, had no intention of playing when he first arrived.

But Ian epitomized the type of person that every Club needs to be successful.

He took over as Junior Administrator in an extremely successful era for our Club and, when players were needed to make up 5th & 6th XI teams, his was the first hand to go up.

A committed and energetic committee member, Ian also applied himself to improving his cricketing skills to the point where he became a consistent contributor in the lower grades and rose to the captaincy of the 6th XI in the last years that we fielded that team.

Ian's enjoyment of the game and influence around the Club was evident to all. He was content with just participating, proud when sharing a partnership with Sean and downright ecstatic when runs flowed and wickets were taken. 2 half centuries and 2 five wicket hauls (including a 7 for) gave him reason to smile but it is those who were honoured to call him a club-mate who will always smile when thinking of Ian Cameron.
