We will:

- refuse to promote special offers from betting or gambling companies
- only show horse or greyhound races on club TVs when nobody under the age of 18 years is present
- hold events and fundraisers at non-racing venues
- find alternatives to casino or racing themed fundraisers like poker nights or big wheels
- limit attendance at casino or race themed fundraisers/events to adults only
- limit attendance at club functions held at pokies venues to adults only
- limit attendance at club functions held at venues with TABs to adults only
- refuse sponsorship or funding from racing venues
- refuse sponsorship or funding from pokies venues
